ODIHR's Key Observation

ODIHR recognizes Andorra's efforts to report on hate crimes to ODIHR. However, based on the available information, it observes that law enforcement agencies have not recorded the bias motivations of hate crimes. In addition, ODIHR observes that Andorra would benefit from reviewing its existing legal framework in order to ensure that bias motivations can be effectively acknowledged and appropriate penalties can be imposed on the perpetrators.

Official Data

Figures reported by the Andorran police, including regarding sentenced cases, may include acts that fall outside of the OSCE's definition of hate crime.
