Summary

Belgium regularly reports hate crime data to ODIHR. Recent initiatives to improve hate crime identification, recording and data collection have been implemented through ODIHR's Information Against Hate Crimes Toolkit ([INFAHCT](#)) programme. In particular, Belgium has implemented the programme's recommendations on the operational practice of police, prosecutors, and equality bodies.

ODIHR's Key Observation

ODIHR observes that Belgium has not periodically reported reliable information and statistics on hate crimes to ODIHR.

Official Data

Numbers reported here include – besides hate crimes – also other types of "discrimination" incidents, which can fall outside of the OSCE's definition of a hate crime. Incidents, where the suspect is a minor, are not included in the statistics.
